

Genealogy Round Table
Report to the Kentucky Library Association Board
19 September 2012

No news to report from the past quarter.

I will be presenting a program on building a digital genealogy and local history collection at the KLA conference on Thursday, September 20th.

As this is my last report, I would like to thank members of the KLA board for their guidance and generosity during my term as Genealogy Round Table Chair.

Nancy Richey from the Kentucky Library of Western Kentucky University will be serving as the new Genealogy Round Table Chair.

Respectfully submitted,

Elaine M. Kuhn
